### J.I.V SCHOOL

A PREMIER INSTITUTION BLENDING MODERN  
EDUCATION & TIMELESS CULTURAL VALUES

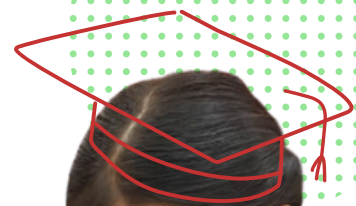

## About Us

*Jain International Vidyapeeth (JIV) was founded with a deep commitment to nurturing academic excellence and value-based learning. At our school, we believe that every child is unique and capable of achieving greatness when guided with care, creativity, and strong values.*

*We prepare students not only for academic success but also for life — supported by dedicated educators, visionary leadership, innovative teaching methods, and a student-centered philosophy. Every learner receives personalized attention and ample opportunities to explore their interests, grow into responsible individuals, and develop a sense of global readiness.*

## Vision and Objectives

Our curriculum is structured to allocate 60% of the time to formal education, ensuring a strong foundation in core subjects. The remaining 40% is dedicated to sports, skills development, and spiritual growth, fostering well-rounded individuals.

### Step 1

To start with a school for Pre-Primary to Grade 1.  
(Commitment is fulfilled)

Expand to a Primary school for Grade 1 to Grade 5.  
(Moving steadily towards our commitment)

### Step 2

### Step 3

Develop a Secondary High School for Grade 6th to 7th.

Academic Expansion from Grade 8th upto 10th.

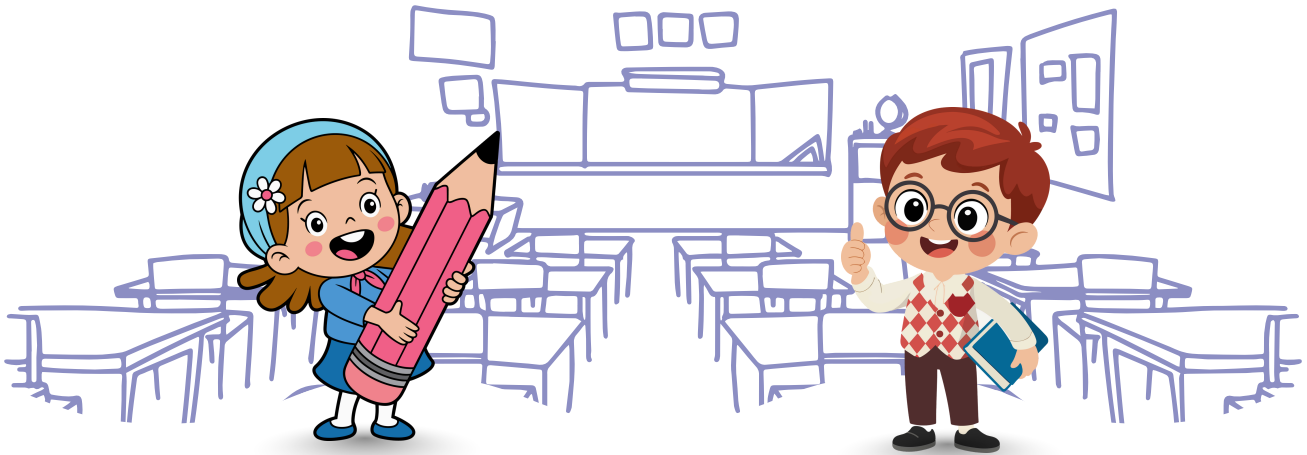

### Step 4

## Our Academic & Value Curriculum

Our Academic and Value Curriculum is thoughtfully designed to nurture well-rounded development in every child. It blends strong academic foundations with life values and essential 21st-century skills.

- **NEP 2020 & NCF COMPLIANT** BASED CURRICULUM
- **English & Phonics** - We build a strong language foundation through phonics, storytelling, picture reading and vocabulary development. Children learn to speak confidently, read fluently and write neatly with proper grammar & comprehension skills.
- **Mathematics** - Concepts are taught through activities, manipulatives and real life examples to build logical and problem-solving activities. Focus on number sense, counting & basic operations.
- **Hindi** - Students learn basic sounds, letters, word formation and simple reading. Emphasis on Conversational skills, vocabulary building, handwriting practice and story-telling.
- **Telugu** - Introduction to Telugu letters and sounds with simple reading and writing practice. Children learn everyday words, rhymes and conversation through fun activities.
- **EVS** - Children explore nature, seasons, community helpers, plants, animals, health, home, and safety rules. We encourage curiosity and real world understanding through outdoor learning, experiments & observation activities.

- **Computer** – Age-appropriate digital exposure with fun learning tools. From mouse and keyboard basics (early years) to typing practice, basic coding logic and safe technology awareness (Grade 1-5).

- **General knowledge & Life skills** - Daily conversations, current affairs, brain development activities. Practical life skills like manners, responsibility, teamwork, confidence and emotional discipline.

- **Value Education (Jain Values)** - We inculcate kindness, non-violence, truthfulness, gratitude, mindfulness and self-discipline
- Jain stories, Jain Songs, meditation, prayer and real life value-based lessons through Digital Jain Pathshala.

## Co-curricular Excellence

Our school offers a rich and diverse range of extracurricular activities designed to cultivate confidence, creativity, teamwork and lifelong love for learning.

- **Art and Craft** - Drawing, coloring, clay moulding, paper folding and creativity-based activities.
- **Music & Dance** - Bhajan, rhymes, rhythm exercise and expressive movements. Helps build confidence, rhythm and joy in learning.
- **Abacus** - Activities that strengthen concentration, memory, visualization and mental agility through brain exercise
- **Yoga & Meditation** – Mental focus, emotional balance, self-confidence and resilience –preparing learners to excel in academics and life.
- **Gymnastics & Martial Arts** – Physically develops strength, flexibility, balance and a healthy lifestyle for overall growth.
- **Skating** – Skating promotes cardiovascular fitness, agility, and resilience in a fun and engaging way.

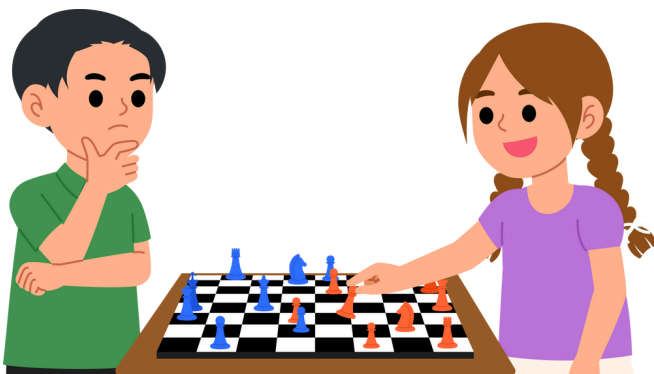

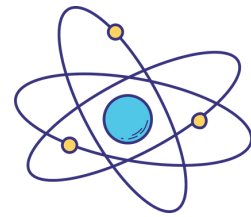

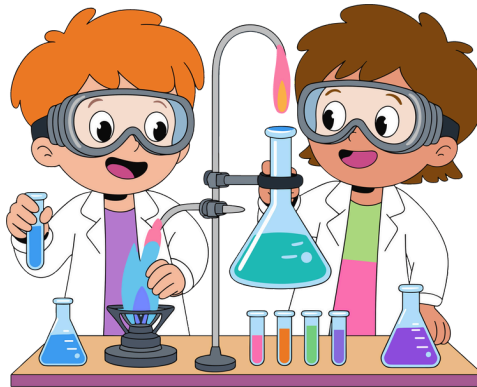

- **Speed Reading** – Improved comprehension and productivity.
- **Cursive Calligraphy** – Helps improve hand-eye coordination, creativity, and handwriting.
- **Brain Gym ( Mid Brain Activity )** -Improves **Memory Focus** and **Cognitive Abilities**.
