ABOUT US

Jain International Vidyapeeth Hyd-Sec (JIV) was founded with a deep commitment to nurturing academic excellence and value-based learning under the divine blessings of dev and gurudev. At our school, we believe that every child is unique and capable of achieving greatness when guided with care, creativity and strong values.

We prepare students not only for academic success but also for life – supported by dedicated educators, visionary leadership, innovative teaching methods, and a student-centred philosophy. Every learner receives personalized attention and ample opportunities to explore their interests, grow into responsible individuals, and develop a sense of global readiness.

OUR MISSION

To create an education system that embodies national pride, respect for tradition, and spiritual awareness.

OUR VISION

Educational Approach

At JIV School, our educational approach focuses on the holistic development of every child. Our curriculum is designed around the following educational priorities:

60% **Formal Education**

Building a strong foundation in academic subjects, conceptual understanding, critical thinking, and problem-solving skills.

40% **Holistic Development**

Promoting sports, skill development, creativity, physical fitness, spiritual growth, and value-based learning.

This balanced approach aims to develop intellectually capable, emotionally balanced, physically active, spiritually aware, and socially responsible individuals.

ACADEMICS

Academic & Value-Based Curriculum

Our Academic and Value Curriculum is thoughtfully designed to nurture well-rounded development in every child. It blends strong academic foundations with life values and essential 21st-century skills.

NEP 2020 & NCF COMPLIANT BASED CBSE CURRICULUM

English & Phonics

We build a strong language foundation through phonics, storytelling, picture reading comprehension skills and vocabulary development.

Mathematics

Concepts are taught through activities and real-life examples to build logical and problem-solving skills. Focus on number sense, counting & basic operations.

Hindi

Students learn basic sounds, letters, word formation and simple reading. Emphasis on conversational skills, vocabulary building, handwriting practice and story-telling.

Telugu

Introduction to Telugu letters and sounds with simple reading and writing practice. Children learn everyday words, rhymes and conversation through fun activities.

EVS

Children explore nature, seasons, community helpers, plants, animals, health, home and safety rules. We encourage curiosity and real-world understanding through outdoor learning, experiments & observation activities.

Computer

Age-appropriate digital exposure with fun learning tools. From mouse and keyboard basics (early years) to typing practice, basic coding logic and safe technology awareness (Grade 1–6).

General Knowledge & Life Skills

Daily conversations, current affairs, brain development activities. Practical life skills like manners, responsibility, teamwork, confidence and emotional discipline.

Value Education (Jain Values)

We inculcate kindness, non-violence, truthfulness, mindfulness and self-discipline. Jain stories, Jain songs, meditation, prayer and real-life value-based lessons through Digital Jain Pathshala.
